- YouTuber or influencer

Use the **Special Careers > Actor** path if you want to work your way through movies.

✅ Step 4: Build Your Fame

Post on **social media** regularly, stay in the public eye, and accept interviews or commercials. Your fame bar should start increasing as you gain success.

✅ Step 5: Date or Marry a Celebrity

Use the dating app or events to meet other celebrities. Marrying another famous person boosts your media exposure and helps with challenge progress.

Buy **luxury homes**, **cars**, and **jewelry**. These assets are not just for show—they're usually required to meet challenge criteria and maintain your fame.

✅ Step 7: Embrace the Scandals

Getting caught in the tabloids or experiencing a scandal (like cheating, arrests, or lawsuits) can actually help fulfill challenge goals. Don't play it too safe!
